2016-2017 Legislative Scorecard

Planned Parenthood Action Fund of New Jersey (PPAFNJ) is a nonpartisan 501(c)(4) non-profit social welfare organization, and the advocacy arm of the Planned Parenthood Affiliates in New Jersey. We advocate for access to essential health care through education, activism, voter engagement, grassroots organizing, and legislative advocacy. We represent three Planned Parenthood affiliates in New Jersey, which operate 24 health centers across the state.

For 100 years, Planned Parenthood has been America's most trusted provider of reproductive health care, sex education, and information to millions of women, men, and young people. More than 90 percent of our services include lifesaving cancer screenings, birth control, and testing and treatment for sexually transmitted infections including HIV/AIDS. We are also proud to provide abortion services and we ensure that women have accurate information about all of their options.
